**CAMBRIA LANDING INN & SUITES COMPLETES RENOVATION,
OFFERS 25% OFF TO CELEBRATE**

Cambria, CA (May 15, 2013) – [Cambria Landing Inn & Suites](#), the charming 27-room ocean-front hotel in the quaint town of Cambria, has completed a full property renovation totaling \$1 million and is offering a special 25% off all rooms for stays until December 31st, 2013 to celebrate.

Acquired a year ago by [Pacifica Hotel Company](#), the largest owner and operator of boutique hotels on the California coast, Cambria Landing Inn & Suites is part of a company-wide renovation strategy. The beachfront property's guestrooms and suites received new carpeting, window treatments, fresh paint, updated bedding, furniture, and upgraded bathrooms, while the common areas received enhanced flooring, paint, and furniture, as well as new skylights and a remodeled fireplace.

Embracing the local landscape, the renovation design embodies the natural beauty of Cambria. As the closest hotel to Moonstone Beach, it is no surprise the new palette features shades of blue and green throughout the property, both inside and out. The wood-grained carpet and beach drift wood quality of the furniture in the rooms, and the rustic wood furniture in the lobby also reflect the beach aesthetic.

"We wanted to make Cambria Landing Inn & Suites feel as enchanting as the town itself," said Pacifica President Matt Marquis. "The renovation has created a calm, relaxing and even more romantic atmosphere for our guests, while providing the superior value and outstanding service that is the hallmark of all Pacifica hotels."
